

The Trans Canada Guppy Group

Stan Shubel Memorial Competition

May 17 – 19, 2019

1. This is a male/female pair show. Male and female must be from the same breeding line.
2. The fish must be bred, born and raised by the Exhibitor.
3. There are no entry fees.
4. All entries will become the property of the Trans Canada Guppy Group. They will be auctioned off at a special show-guppy-only auction on Saturday evening after the banquet. If the entry cannot be auctioned, a suitable replacement pair must be supplied by the Exhibitor.
5. Club owned tanks and air will be supplied for the entries. Do not bring your own tank for the TCGG show. They will not be used.
6. Club owned tanks have lids. There will be no backgrounds, plants or coloured water. Treated water will be supplied, however the Exhibitor can provide their own water if desired.
7. IKGH style show. Please see judging and standards article written by Stephen Elliott.
8. Bring your pairs marked in separate bags (ex. Pair 1, Pair 2). We will classify the pairs to ensure they have the best chance of winning.
9. There will be room lighting only.
10. Trophies will be awarded for first place winners in each division. Second and third place winners will receive ribbons.
11. The Best of Show winner receives the Stan Shubel Best Guppy Trophy.

12. Judging will be done by IKGH certified Judges. There is no challenging of the Judges' decision, but an Exhibitor may ask questions of the Judges after the competition.
13. All mailed-in entries must be received by Thursday, May 17th by 5:00p.m. There are no exceptions to this rule.
14. All mailed-in entries are to be sent to Murray Brown. Please email Murray at **transcanadaguppygroup@gmail.com** to get his mailing address and to provide tracking number(s).
15. All walk-in entries must be received by Friday, May 18th at 7:00p.m.
16. If you have any questions, issues with entries, or anything else, please email us at **transcanadaguppygroup@gmail.com**

The Trans Canada Guppy Group

Stan Shubel Memorial Competition
